- Ensure that all team members and parents where appropriate, are fully informed of competition matters, the weekly draw and Club activities.
- Record the games (full or part) played by each team member and keep the Coach informed as necessary to ensure that all players as far as possible participate in an equal number of games, and have equal playing time over the season.

- Ensure that team members or parents are advised of late changes to the published draw and are aware of ground locations.
- Arrange, by contact with appropriate Team Managers, the borrowing of eligible players from other teams to complete your team in the absence or injury of team members.
