

CRONULLA RSL YOUTH SOCCER CLUB

A Division of Cronulla RSL Sub-Branch Youth Club Inc.

SELECTION POLICY

Non-Competition Teams (Under 6s-Under 10s)

Soccer in these age groups is aimed at enjoyment, participation and skill development, results are secondary to these aims. These aims can only occur if all children are allowed significant involvement.

As such Cronulla RSL Youth Soccer Club expects that as far as circumstances allow, all children in these age groups will be allowed approximately equal time on the field both within a game and over the course of a season. Further where the team has reached a stage where there is an understanding of positional play that children should be allowed to explore their potential in a variety of positions.

Junior Competition Teams (Under 11s- Under 21s)

In these age groups it is recognized that skills and combinations are developing and that some players are developing a preference or aptitude for a certain position or positions.

Nonetheless it is still the expectation of the Cronulla RSL Youth Soccer Club that as far as circumstances allow, all players in these age groups should still be allowed approximately equal time both within a game and over the course of the season.

Some reasonable variation to this policy is permissible however after Round 15 for those teams in contention for Semi-Finals or playing in Finals games.

Senior Competition Teams

Team selection in these age groups is at the sole discretion of the Team Coach and/or Manager.
